Indo-Uzbek Education & Business Summit 2025 Uzbekistan: A Leading Destination for Indian Medical Students

New Delhi: The Indo-Uzbek Education & Business Summit 2025, held at Hotel Pride Plaza, marked a significant step in advancing collaboration between India and Uzbekistan across education, business, healthcare, tourism, and culture.

Powered by the Embassy of the Republic of Uzbekistan in India & organized by MIO House, the forum brought together over 100 prominent guests, including university vice-chancellors, senior officials, and business leaders from both nations.

Uzbekistan, a leading destination for Indian medical students, is a paradise for Indian students, he stated, noting that over 10,000 Indian students are currently pursuing medical education in Uzbekistan.

The delegates presented their institutions' offerings, and the forum also celebrated the deep cultural ties and massive potential between the two countries.

The Indo-Uzbek Education & Business Summit 2025 reaffirmed both nations' commitment to strengthening partnerships in education, investment, and people-to-people engagement, reinforcing a shared vision of mutual growth and cultural harmony.

Uzbekistan has emerged as a hub for quality medical education, offering Indian students a strong academic foundation combined with practical training, immersing them with the essential skills and global competencies required to become successful compassionate doctors.

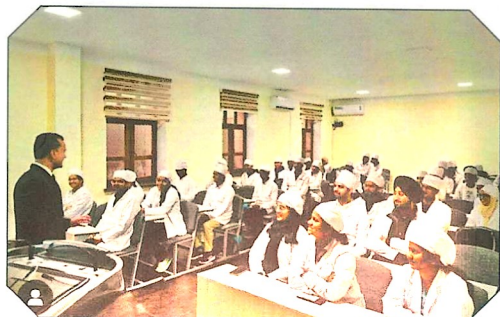

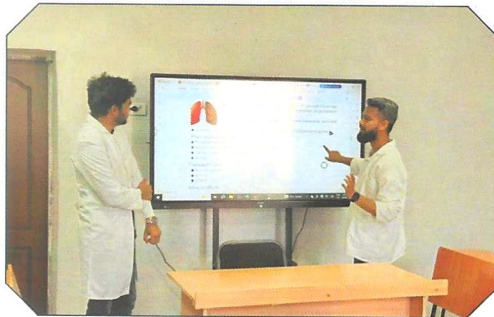

and expressed eagerness to welcome more Indian students for high-quality globally aligned education.

"We welcome Indian students with open arms," said Ambassador Rustamshayev. "Our government supports direct collaboration in many sectors."

The forum also celebrated the deep cultural ties and massive potential between the two countries.

INDIAN TEACHERS AT SSMU

Why SAMARKAND STATE MEDICAL UNIVERSITY?

- Microbiology
- Biophysics
- Latin Terminology
- Russian Language
- Mathematics Coding
- Nursing Practice
- Pediatric Nursing
- Statics
- Ecology And Hygiene
- Integration

2nd Year

- Anatomy
- Histology
- Cytology
- Embryology
- Microbiology
- Virology
- Immunology
- Biochemistry
- Physiology
- Pathophysiology
- Patho - Anatomy
- Surgery
- Mathematics Statistics
- Organic Chemistry
- Pharmaceutical Bioetics
- Hygiene
- Biophysics
- Physiotherapy
- Orthopedics Dentistry

3rd Year

- Pathologist Physiology
- Pathologist Anatomy
- Pharmacology
- Hygiene Ecology
- Paramedical
- Clinical Anatomy
- Surgery
- Laboratory Diagnosis
- Microbiology
- Pediatrics
- Hygiene
- Radiology
- Pharmacology

4th Year

- Patient Care
- Pediatric Surgery
- Pediatric
- Gynecology
- Physiology (TB)
- Internal Medicine
- Ophthalmology
- Radiology
- Forensic Medicine
- Urology

5th Year

- Pediatrics
- Internal Medicine
- Gynecology
- Ent
- Infectious Disease
- Internal Medicine
- Cardiology Dispensary
- Gynecology Rotation
- Surgery General
- Endocrinology

6th Year

- Internal Medicine Rotation
